

**ARE YOU HAVING TROUBLE WITH OPIATES?
DO YOU NEED A NEW WAY TO FIGHT SUBSTANCE
ABUSE ISSUES?**

WE CAN HELP!

3242 E. Main St. Columbus, OH 2nd Floor 43213
Phone : 614-500-4150
Fax: 614-500-4160
Email: info@icareohio.com

Operating Hours
9 AM - 5 PM Monday - Friday

iCare Health & Medical Center believes in treating all components of an individual's social, physical, spiritual, cultural and emotional well-being. We also believe that dependence on opiates is medically treatable with proven, clinically researched methods.

At iCare Health & Medical Center, you will be accepted as an equal and not judged for your individual choices. We understand that chemical dependency is a chronic and progressive disease with multiple causes and we dedicate ourselves to offering specialized care, empowering people to create healing, meaningful change for themselves

Pre-screening eligibility requirements:

- You are 18 years of age or older
- Opiates are your primary drug
- You have been addicted to opiates for at least 12 consecutive months

And/or:

- Currently pregnant
- Recently released from prison or incarceration and feel a risk for relapse
- Previously treated patients up to 2 years after discharge

SERVICES OFFERED

MEDICATION-ASSISTED TREATMENT

Medication-assisted treatment and withdrawal management using buprenorphine, naltrexone (Vivitrol), a combination of buprenorphine and naloxone (suboxone), or other medications.

GENERAL SERVICES

iCare Health & Wellness Medical Center, LLC is a Clinic built on a strong foundation that believes in building trusting relationships with patients, families, physicians, and all other individuals devoted to the care and safety of any patient.

PREVENTION

iCare Health & Wellness Medical Center will have a strategic plan expressing a vision for prevention. The clinic will address all prevention planning processes relating to substance use disorder

REFERRAL

iCare Health and Wellness Medical Center staff will verify with patients on which referrals are appropriate for them and will direct them by providing proper information. In any event if iCare Health & Wellness Medical Center is unable to provide the required services for the patients with substance use concerns,
